

1 this question about Section 8. There has been much said
2 here that if a man had money and could pay his bail to be
3 released, for the same crime that a poor man who could
4 not pay bail would not be released.

5 Under Section 8 where it says excessive bail
6 shall not be required, does this not also mean, this does
7 not mean excessive bail but under Section 8 if it was
8 the discretion of the court, a man could still be re-
9 leased on his own recognizance without any bail, could
10 he not?

11 DELEGATE JAMES: Delegate Child.

12 DELEGATE CHILD: Under either section.

13 DELEGATE JAMES: Delegate Cicone.

14 DELEGATE CICONE: Under Section 8, so it
15 wouldn't necessarily mean that you would have to have
16 this specifically, that he shall be released. It could
17 also be the same result under Section A of Section 8, that
18 not excessive bail but no bail. He could still be released,
19 could he not?

20 DELEGATE JAMES: Delegate Child.

21 DELEGATE CHILD: Of course, his own recognizance,
